

Ocean Fair 2015

SSHS Marine Biology Students, Sharks MADE (Making a Difference in our Environment), with Mrs. Melanie Mesa Blas

GDOE School Visits to: WES, BMS, TES, LBJES, FES, UES, DLPES, PES, UMS, JMG ES, and more

Ocean Fair Partners: National PETE, PREL (Pacific Resources for Education and Learning), BSP (Bureau of Statistics and Plans)

Business Partners: Smart Copy, Sun Tours, T-Factory, DPW

Mangroves in Micronesia	Micronesia Regional Shark Sanctuaries	Sea Birds in Outer Islands
<p>Tune of "No Woman, No Cry" By : Bob Marley Group members : Shannon San Nicolas , Camille Velasco , Aileen Gamazon, Shayna Mangatmag</p> <p>Mangroves in Micronesia Oooo ooo ooo ooo rawwww</p> <p>They're in 10 different islands So let's name them</p> <p>Yap, Palau then Kosrae Saipan Kiribati Nauru Chuuk Pohnpei then Marshall Islands then Guahan</p> <p>It's good for our tourism industry It's a beautiful place to see You can kayak in it But careful you might get bit By the plenty mosquitos and the water looks gross</p> <p>But it stops erosion By trapping sediments</p> <p>There are black mangroves But they are more inland They help prevent tsunamis And make water like tea</p> <p>Palau has the longest stretch Of mangroves But Pohnpei is losing theirs</p> <p>We also have them In Guahan In Malesso And Apra Harbor</p> <p>We should plant more mangroves All over this world</p>	<p>Group members : Shannon San Nicolas , Camille Velasco , Aileen Gamazon, Shayna Mangatmag</p> <p>The kings of the land hold no demand for the sharks. Sharks are kings, but only of the sea and no in between. Respected by culture to lengths such as death How much more torture, dear God is this a test? Sharks and its families protected in shark sanctuaries. Sharks strive and still are alive Because of shark sanctuaries</p> <p>Canoe Building, Build now Tune of "Cool Down" by Kolohe Kai Group Members: Heaven San Nicolas, Jeremiah Aguon, John Obra, and Maryann Aguilar</p> <p>It's another lazy afternoon, here with nothing to do. We should go build now; right now while the weather's right. (yeah) Let's grab the boards and run, run, run, run run to the nearest site. Head down, help us now; build a small canoe.</p> <p>Chorus: We can use mangroves for the deck of the canoe. Large sail canoes usually take more than a year. (yeah) Help now. [2x]</p> <p>The water's looking nice and blue, bluer than the clear sky. The waves firemen getting higher and better even as we speak.</p> <p>We need to make it a lot more stronger, stronger than ever before. So let's work, work, build, and work some more.</p> <p>Chorus [2x]</p>	<p>Tune of the "Little Einsteins" theme song Group members: Louisa, Emmanuel, Damian, Christian and Vanessa</p> <p>Guam , Palau , Chuuk , Pohnpei We're going on a trip on our Micronesian ship soaring through the sea Micronesian's climb aboard get ready to explore to see some sea birds in the outer islands We're here at the islands start the count down Yap , Kosrae , Nauru , CNMI</p> <p>Fishing Tune of Barney by "Barney" Members: Kyle Igcasenza, Justine Leonen, Calvin Houck, Bedson Fred, Corina Gilrungun</p> <p>Let me teach you about fishing .. We wrote about 20 facts. You can catch so many. You have to go to the reef. Then you have to get your rod. Don't go out too far. If you want to catch a load. You have to use talaya.</p>
<p>Traditional Fishing in Micronesia Original song tune: Cheerleader – Omi Group Members: Evander, Patrick P., Gemma, Warren, Brandon S.</p> <p>When I need to go fishing, my one solution is a Micronesian method. Yeah yeah I use the coral fish trapping, dynamite and spearfishing. This can happen every time on every day and every night and they say,</p> <p>Do we need it ? Is it even worth it ? Does it make you waste your time ? And I'm like no, not really cause...</p> <p>(Chorus) Oh, I think that I catch my fish the OG way. That is something I learned in the old days. (x2)</p>	<p>"Micronesia Challenge" No tune, all made up :) Group Members : Micaela, Shania, Chris, Jimmy, Reonelle, Scott M, Tonierose</p> <p>" Here's some things that we will sing about the Micronesia challenge. Tommy E. Founded thee and launched it in 2006. Micro challenge would conserve 30 percent of coastal water and 20 percent of forest land by the year of 202. Man! They got 50 global partners, 1300 species of fish and no it doesn't stop at this! "</p> <p>" FSM! " Tune of "Lean on Me" by Bill Withers Group Members : Micaela, Shania, Chris, Jimmy, Reonelle, Scot M, Tonierose</p> <p>FSM EEZ standards for Federated States of Micronesia, Exclusive Economic Zone EEZ covers 2.6 million square kilometer of ocean - which contains famous tuna fishing grounds 200 mile economic zone FSM consists of 4 states which is Kosrae, Yap, Pohnpei, and Chuuk Just ask anybody who reinforces the best. They all say its people from FSM EEZ!</p>	<p>Turtle Nesting Tune of Lean on Me by Bill Withers Members: Kyle Igcasenza, Justine Leonen, Calvin Houck, Corina Gilrungun</p> <p>Micronesia is a place where there is sea turtle nesting. There are a lot of sea turtles species that are living In Micronesia. That's where we protect them Palau has one of Micronesia's largest turtle nesting sites. We protect them from harvest under CNMI's local law</p> <p>Feral Pigs in Micronesia Tune of "Steven Universe theme song" by Rebecca Sugar Group members: Jovin Basaliso, Fralene Blas, Ky-Marley Duenas, Nikko Galanto, Mitchell Igcasenza, and Cris Yerten</p> <p>When feral pigs are on the rise, You can count on the ten of us taking them down. Cause we're good and evil never beats us. We'll win the fight and then roast and eat them. We are Micronesia. We'll always save our islands. And if you think we can't, We'll always find a way. We need to fight off invasive species, Cause if we don't, Say goodbye to our coral, tourists, and money</p>

<p>"Micronesia" Tune is from "SpongeBob Intro song" by Nickelodeon Group Members are: Isa, Ken, Lucas, Peter, Erensia and Gio</p> <p>Are you ready kids (Aye aye captain) I can't hear you (Aye aye captain) Ooooh</p> <p>Who has more than 135 endangered species? Pa a... La au...</p> <p>Who was the first to start a shark sanctuary? Pa a... La au...</p> <p>What was is the goal of the Micronesian Challenge? 30...20.... 20/20</p> <p>What is the Law of 18-108? M...R...S...S (Micronesian Regional Shark Sanctuary)</p> <p>Why are sharks important? To keep our ocean... Balanced...</p> <p>Ready? Micro...nesia Micro...nesia Micro...nesia Micro! nesia!</p> <p>"Before it becomes too late" Tune is from "Hotline Bling" by Drake Group Members are : Isa, Ken, Lucas, Peter, Erensia and Gio</p> <p>We used to be able to just grow for us. Now the world has grown. Resources aren't enough now. Demand is higher now. And Farming isn't what it used to be. That can only mean one thing. That we got to try new things .</p> <p>Ever since the world evolved, We've been importing than exporting now. More things coming in than things going out. We got to support and grow local before We rely solely on imported goods .</p>	<p>Ocean Acidification Reduce OA Tune of "If I Called" by MightyMellowMassive Group Members: Heaven San Nicolas, Jeremiah Aguon, John Obra, and Maryann Aguilar</p> <p>If we reduce our carbon footprints, we could help save our sea life. (ooh, yeah) If we walk and waste less food, we'd help reduce OA. (hey)</p> <p>Chorus: And we've been tryin' lately to reduce OA. But we need your help to get it done today. We really hope you're doing your best; even the little things count. [2x]</p> <p>And if we said it hurts the mollusks, would it help you change your mind? (ooh, yeah) Yeah we joke and laugh about it, but this is really serious.</p> <p>Chorus [2x]</p> <p>Let's Fish (You Gotta Catch Some Fish) By the Theme: Pokemon Theme Song Phil John Medina, Patrick Sablan, Ciana, Grant Amida, Derrick A., Saturn</p> <p>I want to be the master. I want to catch them fish. To catch fish is my real test, At the Micronesian Island.</p> <p>I will travel across the islands. Searching far and wide. These fishing methods to understand. The power in fishing.</p> <p>(Let's go fish) We gotta catch some fish; it's you and me. This is our destiny!!! (Let's go fish) Ohhh!!! A place to be friends in a world we must protect. (Let's go fish) We gotta catch some fish; fishing for you, our culture helps us to be true. (Let's go fish) You teach me and I teach you, Were a family. We gotta catch some fish, gotta catch some fish!!! And Keep the Planet safe!!!!</p> <p>Support Local Song? Group members: Angelica, Brandalyn, Sean, Teddy, Javier, Jovan</p> <p>Yo chillin with the pars, we only drive fast cars, looking at the stars, thinking of the water in Mars. Let's chew our betelnut, or build a hut. Wanna fish? Let's make a dish. We raise our pigs in Chuuk. Let's make a hook. Breadfruit is the best, better than the rest. Let's raise chicken. Let's get pickin',</p> <p>Climate Change Refugees Song? Group members: Angelica, Brandalyn, Sean, Teddy, Javier, Jovan</p> <p>Yo we have to move to survive, because of this climate change. We rearrange our lifestyle, always surviving off the wild. It's hard to farm, no need to harm. It's caused by natural events. This is so intense. You cause us natural disasters. We have no masters. It's been going on for a billion years. Have no fear. Don't even drop a tear, 'cause we are strong. We will survive pretty long.</p>	<p>Mangroves in Micronesia Mangroves Tune of "Riptide" by Vance Joy Group members: Jovin Basaliso, Fralene Blas, Ky-Marley Duenas, Nikko Galanto, Mitchell Igcasenza, and Cris Yerten (P4G5)</p> <p>Mangroves sitting in the water Not quite sea not yet land They are just tropical trees They play an important role in Our lives They give us fish and timber Don't forget transportation</p> <p>Feral Pigs Tune of "Shake it off" by Taylor Swift Group Members: Carl Nucum, Darien Celestine, Jennifer Cruz, Christian Kho, Francesca Dacanay, Robert Rogadio</p> <p>The pigs are gonna dig dig dig dig dig and this problems very big big big big big i'm gonna help reduce these pigs pigs pigs In Micronesia x2</p> <p>In order to help reduce these pigs you need to get a permit so make sure that you get it or its illegal x2</p> <p>Let's Solve Ocean Acidification Tune of (Counting Stars Cover) Phil John Medina, Patrick Sablan, Ciana, Grant Amida, Derrick A., Saturn</p> <p>Lately I've been thinking About Earth. Thinking about the pollution it has, But lately it's been thinking dealing with ACIDIFICATION. Let's look for a solution and solve this problem, And solve this problem.</p> <p>Ocean Acidification is 25% of our Carbon Dioxide. Carbon Dioxide is CO² It hurts the corals and fish too. This is cause by the factories. By their smoke going up and down. Then repeats again and again. Just like the water cycle. But it's just the bad version.</p> <p>And it's killing our planet. We need to do something, let's do the right thing. Let's not harm our planet, let's keep it safe. Let's go and help, go and help, go and help Our planet.</p> <p>Feral Pigs Song? Group members: Jazel, Melanie, Michael, Gerric, Tiny, Julianne</p> <p>They cause damage to the environment though wallowing, rooting. They destroy our crops and lands. And they eat our plants and animals. They prey on turtle eggs and could bring diseases, ohhh. They damage our waterways and could spread erosion. They are feral pigs that causes harm. We should hunt them to save the environment. Please elp out and lend a helping hand. FERAL PIGS ARE DANGEROUS!</p>
