

Outline 04 Nov Stayfresher: New Innovations for Training
November 4th, 2021
1:00 - -3:30 PM

Welcome and Introduction

Kirk Laflin, PETE - 10 minutes

Objectives

Participants will be able to:

- Explain how the Sygnal app can enhance your training.
- Describe how you could implement the NIEHS COVID fact sheets into your training.
- Provide input on conducting hands-on/face to face training safely in today's environment.

Don Ransford and John Morgan - 60 minutes

Don and John will demonstrate use of the Sygnal app to simulate monitoring activities for response exercises and the value the Sygnal app in training.

Break: 7 minutes

NIEHS COVID Fact Sheets 30 minutes

Discussion on how to provide students and community with the updated information regarding COVID-19.

Break: 7-minutes

Conducting hands-on and face-to-face training in today's environment 30 minutes

Discussion how to safely provide in-person face-to-face training that requires hands-on contact with equipment and PPE and working in proximity with other participants.

Kirk Laflin - closing 5 minutes
