Time: October 24, 2023 01:00 PM Eastern Time

1:00 PM Introduction and Welcome, Kirk Laflin, Executive Director National PETE

1pm Presentation

Violence in the Workplace, with Carl Moore III from Alliance Safety Solutions

About: This one hour presentation has been developed for employees. This training program will discuss Impact of Workplace Violence, Types of Workplace Violence, Risk Factors, Warning Signs, Preventing/Reducing Workplace Violence, and Response Actions.

Bio: Carl Moore has experience in conducting this program to local and national audiences. He is an OSHA Authorized Trainer, OCPA Certified Crime Prevention Specialist, former Ohio Peace Officer Training Commission PSA Instructor, and former Instructor of Environmental Health and Safety Programs at Stark State College. He has received specialized instruction on the topic conducted by Federal, State, and Local government agencies, as well as renown private organizations. He has over 35 years' experience in safety and security.

2pm Presentation

On the Road to Safety: TIMS Best Practices

About: "On the Road to Safety: TIMS Best Practices" is a comprehensive presentation that delves into the critical strategies and protocols of Traffic Incident Management Safety (TIMS). This informative session explores the most effective practices for managing traffic incidents, emphasizing seamless coordination among emergency responders, law enforcement, and transportation agencies. Attendees will gain invaluable insights into preemptive measures, rapid response techniques, and collaborative approaches, ensuring safer roadways for both responders and the public alike.

Bio: Mr. Rook is a public safety professional with over 30 years of experience in all aspects of Fire Service Operations, Emergency Medical Services, Incident Command Systems (ICS), and Law Enforcement. Rick currently teaches at Barton County Community College, in addition to National PETE as a Master Trainer for the CCCHST Program.
